

Business Combo Terms and Conditions

It can only be added through the purchase process on our volaris.com page or the Volaris app at the time of making a reservation. The Business Combo applies to all passengers and all segments within the same reservation; it is important to mention that, although the reservation includes several passengers, the cost of the Business Combo is per person in round trip. This product is only available and can be purchased if the date of departure of the flight is greater than 7 calendar days to the date of purchase. The benefits of this combo are:

Carry on – Only traveling with Basic fare, you will have the benefit of one carry on (55 cm x 40 cm x 25 cm) additional to the personal object (35 cm x 45 cm x 20 cm) included in the Basic rate. The benefit of additional carry on only applies traveling with Basic rate, it does not apply traveling with the classic or plus rate.

Seat – The passenger may select Seat at no cost, except for the seats that are located at the first row, second row and emergency exit. To obtain this benefit the seat must be selected at the time of booking, if it is not selected at that time, you will have to pay the cost for it later. In case you make the change of date and time of your flight you must select your seat again and cover for it the corresponding cost in case of those that are not included at no cost.

Hold your flight – When making your reservation and selecting the Business Combo you can hold your flight, paying \$ 50.00 (fifty pesos 00/100 M.N), which will allow you to hold your reservation for up to 72 hours. Within the aforementioned 72 hours you must settle the total cost of your reservation in any of the following payment methods: debit card or credit card on the My Trips page. In case you do not settle the full amount of the cost of your reservation within 72 hours, the cost you have paid per section will not be refundable under any circumstances; on the contrary, when you settle the total cost of your reservation at the time of entering My Trips, the total of your reservation will have decreased the amount previously paid for this service.

More Flexibility -

Terms and Conditions Combo Flexibility purchased before April 18th, 2022

The Flexibility Combo can only be added through the purchase process on our volaris.com page or the Volaris [app](#) at the time of booking. The Flexibility Combo applies to all passengers and all segments within it.

It allows you to make changes of date and time to the flight originally contracted in an unlimited way, to request the aforementioned changes you must do it through [WhatsApp](#), [Facebook](#), [Twitter](#), [Your experience](#) or the Call Center, you can make more than one change without paying penalty and without covering the fare difference as long as the change is in schedule or the new travel date is to be made in low season, if the change or the new date of the trip is to be made in high season it will apply the charge for changes, see high season dates in [table A for 2022](#) and [table b for 2023](#). The dates shown in the tables correspond to the travel dates and not the purchase dates. **It does not apply to change of route.**

For changes of route, name or high season, the Call Center must be called, and the corresponding fee will be charged. Any change can only be requested and applied up to 4 hours before the departure of the flight. It does not apply in other sales channels.

For international routes advertised in foreign currency, and whose payment will be made in pesos national currency, the price must consider the corresponding conversion to pesos national currency according to the exchange rate in effect on the day of payment.

Those passengers who do not purchase the Combo Flexibility will be subject to the current flexibility policy of Volaris published on the [site](#).

Terms and Conditions Combo Flexibility purchased after April 18th, 2022

The Flexibility Combo can only be added through the purchase process on our volaris.com page or the Volaris [app](#) at the time of booking. The Flexibility Combo applies to all passengers and all segments registered within the same contracted reservation. It does not apply to reservations larger than 9 passengers.

This Combo allows you to make changes in date and time to the flight originally contracted in an unlimited way without paying a change fee and covering, if applicable, the corresponding fare reference; The fare difference should only be covered if the new flight has a higher base fare compared to that of the originally booked flight.

This Combo does not generate the right to any type of refund by Volaris in favor of the passengers or the client with respect to the cost or payment of: i) the contracted air reservation; (ii) changes of date made to the original reservation; iii) the difference in prices that may exist between the air reservation originally contracted and the changes of date and / or time made to it or iv) any other service purchased by the client.

To request the changes, you must do so on the [My trips](#) section at volaris.com.

It does not apply to change of route and name.

For changes of route and / or name se you must contact the Call Center:

Mexico +52 (55) 1102 8000, United States +1 855 VOLARIS (8652747), Guatemala +502 2301 3939, Costa Rica +506 4002 7462, El Salvador +503 2504 5540, Colombia +57 60 1744 3272, Honduras +504 2202 7900 and TTY- +1 (855) 425-2002. And the corresponding fee will be charged.

Any change of route, name, date and / or time can only be requested and applied up to 4 hours before the departure of the flight.

It does not apply in other sales channels.

For international routes advertised in foreign currency, and whose payment will be made in pesos national currency, the price must consider the corresponding conversion to pesos national currency according to the exchange rate in force on the day of payment.

Once this service has been contracted, the client will not be able to request Volaris the cancellation or refund or the same, the benefits of the Flexibility Combo come into force from the day of its contracting and its application is subject to the provisions of these rules-
